

source/bsp/imu/BMI088
/inc/BMI088driver.h

```
graph TD; A["source/bsp/imu/BMI088  
/inc/BMI088driver.h"] --> B["stdint.h"]; A --> C["main.h"]
```

The diagram illustrates a file structure. At the top, a dark gray box contains the text "source/bsp/imu/BMI088" followed by a line break and "/inc/BMI088driver.h". Two blue arrows originate from the bottom center of this box. The left arrow points to a light gray box labeled "stdint.h". The right arrow points to a light gray box labeled "main.h".
